

# Superintendents & Mechanics

## CONFERENCE & TRADE SHOW

**OCTOBER 14-15 | DEER CREEK LODGE & CONFERENCE CENTER**

The County Engineers Association of Ohio invites you to join us at the Superintendents & Mechanics Conference. This is an outstanding opportunity to meet and connect with your most important potential clients from throughout the state.

Our attendees bring with them years of experience, hands-on technical knowledge, and most importantly, purchasing power. These are the people using your products and equipment every day in the field.

Showcase and demonstrate your equipment throughout the day at our Outdoor Equipment Display area, then mingle with our attendees in the evening at the Indoor Trade Show & Reception.
