CCAO/CEAO Joint Session – Smart Mobility 101: Smart Counties/Cities Improve Lives*

This session will discuss Smart Mobility 101: How rapid developments in mobility technology will impact infrastructure, automotive and how we operate our governance structures. Ohio is increasingly being recognized as a leader in the development of both vehicle systems and the creation of infrastructure test beds to lead the nation and globe in the development of Smart Mobility. We will discuss the intersection of how government and industry can play a role in saving lives, improving safety, reducing congestion and emissions, reducing costs of transportation, while improving levels of service to the moving public.

Moderator: Dean C. Ringle, P.E., P.S., Executive Director, County Engineers Association of Ohio

Speaker: Joanna M. Pinkerton, P.E., Chief Operations Officer, Transportation Research Center Inc.

2:30-3:30 p.m.

CCAO/CEAO Joint Session - Retirement Readiness

Thinking about retirement in the near or distant future? This session will help county elected officials & employees understand retirement under the Ohio Public Employees Retirement System (OPERS) & the CCAO Deferred Compensation Program/Empower Retirement.

Moderator: Keith Blosser, Managing Director of Operations, County Commissioners Association of Ohio

Speakers:

TBA, Educator, Ohio Public Employee Retirement System

Rachel Willoughby, Retirement Plan Counselor, CCAO Deferred Compensation Plan/Empower Retirement
