Fredrick B. Pausch  
*Executive Director*

**TO: All Ohio County Engineers**

**FROM: Frank Onweller, P.E., P.S., Fulton County Engineer  
and CEAO Scholarship Committee Chairman**

**SUBJECT: CEAO Scholarship Program**

**DATE: March 17, 2014**

The CEAO Board of Directors has established a scholarship program for Civil Engineering and/or Surveying students attending school in the State of Ohio. The intent of the Board is to increase awareness of the County Engineering profession and to encourage students and current county employees to become registered both as a Professional Engineer and as a Professional Surveyor.

The scholarships are to be awarded to Civil Engineering and Surveying students at the Junior and Senior level of a Bachelors program, and to current county employees who are interested in working toward their dual registration. Applications should be submitted directly to the CEAO office; evaluation will be by the CEAO Scholarship Committee.

The CEAO Scholarship Committee is distributing this information and applications to interested students and county employees for this year's award. The completed applications are due in CEAO offices at 6500 Busch Blvd., Suite 100, Columbus, OH **by June 2, 2014**. All original hard copies and official transcripts must be mailed to the CEAO office. The application form is included with this letter.

Please feel free to distribute this information and application to any engineering student or civil engineering department. Any assistance that you can provide to increase the awareness of this program would be appreciated.
