### **County engineer installed as president of statewide professional land surveyor association**

Champaign County Engineer Stephen McCall, P.E., P.S. took office as president of the Professional Land Surveyors of Ohio at their 40<sup>th</sup> Annual Conference held Feb. 11-14 in Columbus, Ohio. McCall, a professional land surveyor and civil engineer, has been a member of the organization's Executive Committee, serving as Secretary and President-Elect prior to accepting the nomination for 2015 President.

As a County Engineer in Ohio, McCall is required to hold both engineering and surveying licenses in good standing with the State Board of Registration for Engineers and Surveyors, and oversee the county duties required by each license. Mr. McCall has been active professionally in both engineering and surveying organizations, and has served PLSO in various capacities with the local Miami Valley Chapter, including chapter president.

Other 2015 PLSO officers include President-Elect Ken Taylor of Toledo; Secretary Thomas Snezek of Cleveland; Treasurer Robert T. Patridge Jr. of Dublin; and Immediate Past President Brian Bingham of Columbus.

The Professional Land Surveyors of Ohio is a membership-based association serving Ohio's land surveying community. PLSO provides communication of survey-related issues, representation regarding legislative matters, administration of statewide programs and promotions, and continuing professional development opportunities. There are 20 chapters of the organization that serve regional members throughout Ohio.

For more information about land surveying or to find a professional surveyor in your area, visit [www.plso.com](http://www.plso.com) or the Ohio Engineers and Surveyors Board at [www.peps.ohio.gov](http://www.peps.ohio.gov).
