website as soon as they are available**

Ohio Storm Water Conference and Trade Show

A two day seminar to be given Wednesday March 9th and Thursday March 10th, 2011.

This two-day Conference is tentatively scheduled to provide information regarding storm water management including Corps of Engineers Stream Construction Permits; Wetland Banking; Lessons Learned; Mitigation Efforts; BMPs for Construction Projects and other important technical information. Ohio ranks 2 in the nation in wet land loss. This Conference will feature presentations on a variety of important topics and is especially oriented for those in charge of maintaining storm water and water maintenance systems.

Plan now to attend this years' Ohio Storm Water Conference. Registration for the Conference (form attached) will open on Wednesday, March 9th at 11:00 AM , with sessions beginning at 1:00 PM. On Thursday, March 10th sessions are scheduled to begin at 8:00 AM. Anyone interested in Storm Water and its control are welcome to attend the seminar sessions. For additional details call the CEAO office.

The Conference will provide an excellent opportunity for you to obtain up-to-date information and have direct contact with many of Ohio's decision making staff.

Coffee will be available during breaks on both days. Soft drinks will be provided during the afternoon breaks and a Trade Show reception after the last session on the first day. A continental breakfast and breaks will be provided on the second day. Program details will be posted on our website at www.ceao.org as they become available.

Tentative Program

Wednesday, March 9, 2011

- 1:00 Corps of Engineer Stream Construction Permits**
- What Changes Could Mean to You
- 2:00 Wetland Banking Mitigation**

- 10:30 Ditch and Headwater Design Options**
- 11:30 Using GIS and Section Data to Locate MS4 Stormwater Outlets in a Suburban County**
- 12:15 Closing Remarks**

Who Should Attend?

Project Managers, Professional Surveyors, Party Chiefs, Field Personnel, PLS Candidates, Attorneys. Anyone that deals with any aspect of storm water should attend.

If your Ohio storm water activities involve cities, counties and/or state agencies, this is the conference for you. Ohio's decision makers will be here. The planning committee has been working for several months to provide the best possible up-to-date information. This is your opportunity to meet those in charge of maintaining storm water and water maintenance systems.
