By  
County Engineers Association of  
Ohio**

**March 14 – 15, 2012**

**CPD Credit Hours**  
**All sessions have been recommended for  
Continuing Professional Development (CPD) credit  
by the CEAO with the exception of the 4:00  
Wednesday and the 8:30 Thursday sessions.**

## Ohio Storm Water Conference and Trade Show

A two day seminar to be given Wednesday  
March 14<sup>th</sup> and Thursday March 15<sup>th</sup>, 2012.

This two-day Conference is tentatively scheduled to provide information regarding storm water management including Corps of Engineers Stream Construction Permits; Wetland Banking; Lessons Learned; Mitigation Efforts; BMPs for Construction Projects and other important technical information. Ohio ranks 2<sup>nd</sup> in the nation in wet land loss. This Conference will feature presentations on a variety of important topics and is especially oriented for those in charge of maintaining storm water and water maintenance systems.

Plan now to attend this years' Ohio Storm Water Conference. Registration for the Conference (form attached) will open on Wednesday, March 14<sup>th</sup> at 11:00 AM, with sessions beginning at 1:00 PM. On Thursday, March 15<sup>th</sup> sessions are scheduled to begin at 8:00 AM. Anyone interested in Storm Water and its control are welcome to attend the seminar sessions. For additional details call the CEAO office.

This Conference will provide an excellent opportunity for you to obtain up-to-date information and have direct contact with many of Ohio's decision making staff.

Coffee will be available during breaks on both days. Soft drinks will be provided during the afternoon breaks and a Trade Show reception after the last session on the first day. A continental breakfast and breaks will be provided on the second day. Program details will be posted on our website at [www.ceao.org](http://www.ceao.org) as they become available.

# Tentative Program

## Wednesday, March 14, 2012

- 1:00 **Storm Sewer Inspection, Maintenance and Management**
- 2:00 **A County-wide Assessment of Drainage issues - A path to a Capital Improvement Plan and Stormwater Fees**
- 3:00 **Stormwater and Wastewater Treatment and Disposal in Utica Shale Oil and Gas Exploration**
- 4:00 **Legal Issues related to stormwater permits**

## Thursday, March 15, 2012

- 8:00 **Stormwater Program Updates**
- 8:30 **Salt Storage: Potential contamination and the need for possible regulations**
- 9:30 **Update of FEMA mapping Allen County, a collaboration of the Allen County Engineer, FEMA, USGS, ODNR**
- 10:30 **Ditch and Headwater Design Options**
- 11:00 **Panel Discussion: How three County stormwater programs handle operational and administrative functions**
- 12:00 **Closing Remarks**

## Who Should Attend?

Project Managers, Professional Engineers, Professional Engineer Candidates, Technicians, Field Personnel, Attorneys. Anyone that deals with any aspect of storm water should attend.

If your Ohio storm water activities involve cities, counties and/or state agencies, this is the conference for you. Ohio's decision makers will be here. The planning committee has been working for several months to provide the best possible up-to-date information. This is your opportunity to meet those in charge of maintaining storm water and water maintenance systems.
