Who Should Attend

- County Engineers, Commissioners, Auditors, Recorders, Tax Map Offices and their employees, as well as surveyors, property recorders and anyone involved with Land Records.

- If you are a city, county or state agency and you work with land records, this conference is for you!

- This one-day seminar will concentrate on Ohio's Land Records and its importance to county and state officials as well as the private sector.

- This seminar will focus on providing a better understanding of the process and purpose of surveying and land records, as well as the latest information available.

- All sessions have been recommended for CPD credit (**6 CPD hours**)
