

2014 Superintendents & Mechanics Conference & Trade Show

October 22-23, 2014

Reasons to Attend

Join us at Mohican State Park to network with your peers in construction and maintenance from across the state. Learn about **best practices** in your field during the Round Table Discussion and see the latest product innovations and equipment during the **Trade Show** and outdoor equipment display.

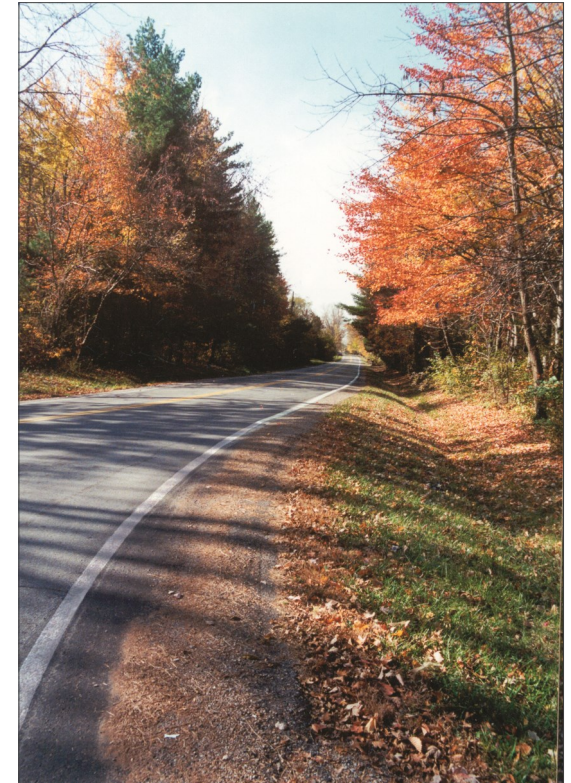

Register today to learn about the **latest updates** regarding chip and seal, bad weather maintenance and what to do if you find an abandoned meth lab along one of your roads. Six sessions have been recommended for continuing professional development credit for **6 total CPD hours available to Professional Engineers**. Don't miss the incredible opportunities at this conference!
